FLAVOR  PAPER

Alvorada is a voluptuous geometric pattern designed by Kravitz Design that is big in scale and style. Inspired by the sweeping, curvilinear shapes of Oscar Neimeyer's architectural gems in Brasilia, this wallpaper has a shifted half drop for a sexy Brazilian rhythm.

Kravitz Gold is a beautiful handscreened chameleon as it is equal parts silver and gold, so it works well with many finishes and colors. The substrate is Thunder Grey Clay Coated Paper, which adds a deep and grounded matte color to the background.

Kravitz Design is a conceptual creative studio founded by Lenny Kravitz in 2003. With a modern sensibility and a focus on interiors and graphic design, Kravitz Design's work always conveys a soulful elegance through a natural, relaxed sense of style.

Handscreened and made-to-order in Brooklyn, NY.
