FLAVOR PAPER

Interior Design by Tita Omeze, Photo by Allyson Lubow

We collaborated with artist Evan Paul English to design a Dorothy Draper-inspired wallpaper for a champagne bar. This bold, painterly mural features massive hand-drawn flowers with a delicate feminine touch, creating the perfect backdrop on your walls or ceiling.

Soft Light has a pale grey background with pops of pink and blue in the flower petals, which allows the exquisite camellias and greenery to float gently in the foreground.

Evan Paul English is a former Flavor Paper screen printer and renowned painter, illustrator, and tattoo artist. His work draws inspiration from his collection of vintage ephemera and centers on florals, which he considers symbols of life and growth.

Digitally printed to order in the USA.
