FLAVOR PAPER

Photo by Nathan Schroder

Flavor Paper may be straight outta Brooklyn, but we have nothing but love for the West Coast. Dan Funderburgh's L.A. Toile showcases the Cali vibe with contemporary styling, humor, and respect, from the traffic and celeb haunts, historic landmarks and Hockney pools, lo-riders, and legends.

Malibu is a dreamy colorway whose yellow-to-pink sunset ombre is delicately balanced with off-white and mauve illustrated scenes.

Dan Funderburgh's witty, contemporary twist on traditional wallpaper illustrations made him the first Flavor Paper artist collaboration in 2005. We've been creating beautifully mischievous and irreverent wallpapers since. Dan has an uncanny ability to mash up geometric and floral patterns with classical and comical content.
