FLAVOR PAPER

Swirling inks and perspective-bending shifts bring dynamic fluidity to our Mama Pearl mural, adding dimension and movement to any space. We created the image by photographing our inks with a medium-format camera, so even at a grand scale, every flowing current stays buttery smooth.

The Ultraviolet colorway blends purples—from deep royal plum to soft lavender—with peachy oranges, pale pinks, and calming creams and grays.

Digitally printed to order in the USA.
