FLAVOR PAPER

Moonrox is a textural masterpiece in half domes created by artist Tess Strickland. She renders wood, marble, terrazzo, and stone with a minimal halftone effect, bringing the tone and texture of each natural material to life.

Sepia is a handscreened dark greige ink on a shimmery off-white mica clay coated paper substrate, creating a timeless vintage look.

A designer and printer, Tess Strickland, fashioned this wallpaper while working in the Flavor Paper screenprinting department.

Handscreened and made-to-order in Brooklyn, NY.
