FLAVOR PAPER

Mötley Hüe is a wallpaper that blends sultriness and sensitivity with a rock-and-roll attitude. Jon Sherman's biophilic design meets the look of stained concrete and hard surfaces. Layered, flowing, ethereal watercolors drip down, adding character that commands attention while embracing imperfections.

Paradise City removes the heavy metal from this breathtaking mural and leans into a hair band vibe with a soft pink wash and gray flecks, maintaining the design's theatrics.

Flavor Paper founder and creative director Jon Sherman is a self-trained artist and designer whose work has been featured in numerous museums, books, and projects.

Digitally printed to order in the USA.
