FLAVOR PAPER

Furniture and styling HiLo Brooklyn, Photography Chaunte Vaughn

Our Camellias collaboration with artist Evan Paul English, a Dorothy Draper-inspired super-scale floral mural, was so good we decided it deserved a smaller repeating version. We took the painterly hand-drawn flowers with their delicate feminine touch and designed the stylish Petite Camellias pattern.

Noir's seductive black background drives the alluring camellias and greenery to feature prominently in the foreground.

Evan Paul English is a former Flavor Paper screen printer and renowned painter, illustrator, and tattoo artist. His work draws inspiration from his collection of vintage ephemera and centers on florals, which he considers symbols of life and growth.

Digitally printed to order in the USA.
