Step into a world where fashion history meets modern design with the elegant hand-illustrated ladies of Hilda Glasgow. This stunning and timeless design captures forty years of evolving fashion, evoking the undeniable glamour of cinematic classics like “Breakfast at Tiffany’s” and adding a touch of sophisticated charm to any space.

Our Sandy colorway is a testament to refined artistry. Black and off-white illustrations are brought to life with delicate accents of gold, rose, and plum watercolor shading. These subtle yet vibrant hues highlight the striking poses and en vogue fashions of each lady, all set against a soft and inviting beige background. This unique combination creates a visual narrative that is both nostalgic and contemporary.

Hilda Glasgow (1913–2004) was one of the leading fashion illustrators of the mid-20th century, renowned for her work with prestigious clients such as Vogue Magazine, Saks Fifth Avenue, and Best & Co. After her passing, her daughter Liz discovered a collection of Hilda’s favorite original drawings stored inside a white cabinet that had always held the family’s art supplies. Inspired by this find, Liz decided to share Hilda’s timeless creations with the world.
