FLAVOR PAPER

At first glance, your eye focuses on beautiful, vibrant flowers, birds, and butterflies. It is a peaceful distraction until you realize you're in a present-day landscape surrounded by CCTVs and razor wire. Vigilant Floral is Dan Funderburgh's design work at its finest - engaging, contemplative, and humorous while modernizing a historical concept.

Our Aztec Evening colorway brings the Southwestern vibe with turquoise blue-green shimmering flora and fauna popping off a matte slate blue background. At the same time, the manufactured elements shine on mirror-like gold Mylar.

Dan Funderburgh's witty, contemporary twist on traditional wallpaper illustrations made him the first Flavor Paper artist collaboration in 2005. We've been creating beautifully mischievous and irreverent wallpapers since. Dan has an uncanny ability to mash up geometric and floral patterns with classical and comical content.
