AS YOU WISH

by Katie Stout

Katie Stout is a self-proclaimed “naive pop” artist whose work explores the joyful celebration of childhood innocence...with refreshingly unexpected twists. With *As You Wish*, Stout set out to challenge the conventional ideals of wallpaper and its subject, creating an elevated enchanted forest vibe that’s equal parts playful and provocative, and more of a living artwork than stagnant surface. Utilizing rich hues and bold brushstrokes to bring her cheeky creatures and free-spirited florals to life, this painterly mural is made even more majestic with a reflective ombre ground. As the name suggests, *As You Wish* can be fully customized to suit any application and aesthetic – we’re talking scale, material, you name it. It’s a natural selection for both big and little kids seeking fantastical Flavor. The design is a non-repeating mural and is scaled and cropped based on the provided wall dimensions.
