# ASCENDANCE

by Shyama Golden

To experience Shyama's work is to go on a journey that surprises and delights. Her visual vernacular balances personal, playful and poignant themes that culminate in a sensory-stirring narrative that just makes you feel good and wanting more. Flavor Paper is thrilled to roll out Ascendance, an optical ode to her past and present...rooted in her Sri Lankan origins with an expression of growth to reflect her current world and yet, masterfully illustrates the cyclical nature of life as a whole.

In classic Shyama style, the design presents itself as one thing upon first glance. You may see a landscape and while you aren't wrong, when you step to the pattern it reveals a stimulating scene composed of steps inspired by the Kilbourn Stairs and overgrown greenery in Shyama's Los Angeles neighborhood, and a cast of characters that range from familiar folks and folklore figures, to pets and paraphernalia and even the artist herself. It's a magnificent menagerie of the everyday, of cultures, and the ultimate pursuit of thriving through the ebb and flow of things as we know it. It's a trip!

## GROUND MENU

### TYPE I ECO SMOOTH MATTE

- PRINTING METHOD: DIGITAL
- BACKING: NONWOVEN FIBER
- WEIGHT: 14 OZ/LINEAL YARD
- FIRE RATING: CLASS A, AS PER ASTM E 84 (ADHERED)
