BUCOTE

by Rex Ray

Designed by retro-futuristic artist Rex Ray, this colorful pattern resembles strings of beads or ornaments filled with a gorgeous variety of jewel toned wood grains to pastel patterns. To create the magic, Flavor Paper has taken some of Rex Ray's repeatable patterns and full wall size designs and brought them to life as sophisticated yet playful wallcoverings. Custom colored backgrounds are available in wood grains, paint drips or solids – or really anything else you can think of.
