CELESTIAL DRAGON

by Karen Hsu of Omnivore

This pattern can be printed in three ways to create totally different looks. The base pattern for Celestial Dragon is intricate and asian-inspired (see Scarlet and Super Green). In Torn Gold, the secondary screen creates the illusion of peeling paper. Torn Plaid Marshmallow shows the third option of an additional screen that makes it appear as if you've torn off wallpaper to discover this dragon from outer space pattern. The torn options really add a nice trompe l'oeil effect.

SPECS

ROLL SIZE ————— 27" W x 180" L
PATTERN REPEAT ————— 18.44" / 46.48cm
SIDE TO SIDE MATCH ——— STRAIGHT ACROSS
MADE TO ORDER IN IN USA
