CIRCUIT

by Ted

Circuit is symmetry in motion. The layers of interlocking labyrinths create serious depth and movement for a two color print. In order to avoid chaos, we find that sticking to complementary ink colors in this pattern is best. You can create a bright color pop (as in Tangerine) or a soft wash of elegance (see Sugar). This is a design that attracts a second look and invites you to linger a while.

SPECS

ROLL SIZE ————— 27" W x 180" L
PATTERN REPEAT ————— 8.81" / 22.38cm
SIDE TO SIDE MATCH — EIGHTH (1/8) DROP
MADE TO ORDER IN USA
