CITY OF LIGHT

by Jane Blevin

City of Light is a modernist pattern that has a sense of organization, yet reads relaxed randomness. Somewhat of a contemporary Klimt, this design adds movement to a room – especially when printed on our holographic material. The lack of obvious repeat and random match makes this wallpaper appear to be an endless beauty.

SPECS

ROLL SIZE ————— 27" W x 180" L
PATTERN REPEAT ————— 54.75" / 139.07cm
SIDE TO SIDE MATCH ———— RANDOM
