CUBEN TRIANGLE

by Simon Page

Hungry for some funky Flavor? Cuben Triangle will satisfy your appetite! This kaleidoscopic eye-candy was originally cooked up by award winning British graphic designer Simon Page for an off-the-wall pizza joint. But since our crew couldn't get enough of it, we rolled it in our crowd-pleasing Cuben series of abstract minimalist murals and patterns for everyone to enjoy. As Simon says, "Good design excites," and this geometric gem does just that.
