DAUPHINE

by Ted

French gardens get the royal treatment in Dauphine. This traditional stylized floral has amazing detail and forms a kaleidoscopic yet structured geometric pattern as you step back. You see an early appearance of this pattern in Dr. Zhivago. Dauphine can be ordered as a one color design, or use the second screen for more detail and additional color.

## SPECS

ROLL SIZE ————— 27" W x 180" L
