FEATHERLIGHT

by Karen Hsu of Omnivore and Keryn Dizon

Originally a custom design for Keryn's store Elijah, we couldn't wait until they allowed us to release it to the public as Featherlight is a sublime pattern. A very delicate, soft sense of existing amongst a feathered free fall will steer your environment towards the sexy, yet cozy vibe you've been searching for. Frank White (the fantastic peacock) is not part of the wallpaper design.
