HIGH SEAS

by Flavor Paper

If your interiors are thirsty for a vibe that ebbs and flows in an immersive, surreal style, then High Seas is worth the ride. To develop the design's intoxicating waves, FP's master mixologist Jon Sherman swirled together a variety of water-based latex inks and metallic powders while photographer and frequent collaborator Boone Speed snapped ephemeral macro stills of the action and voila...marbleized magic. Dive in!

The image is a non-repeating mural and is scaled and cropped based on the provided wall dimensions.
