IKANT

by Jon Sherman

To know us is to know that NO isn't really in our vocabulary. In fact, concepts that dare to challenge us, drive us to explore (and break) comfort zones to flip the script to yes. Cue up Ikant: A fresh design discovered in a tired textile book that pushed our palate with its subdued shades, fanciful filigree and classical ikat vibe because, seriously, where was this fitting on our menu?! But, since turning tradition on its head is how we roll and like white walls, bowing out is boring, we decided to embrace its restrained, embroidered-esque elegance and funk it up to satisfy our and our clients' taste – unless you're feelin' the OG Lantana color cause we're clearly cool with that, too. In the spirit of the pattern, of I can and what our krewe exclaimed as a throwback to 2000s internet slang when we finally did the do as we do with this one...“Ikant!!”

SPECS

ROLL SIZE ————— W 52" x H 100", 124", OR CUSTOM HEIGHT

PATTERN REPEAT ————— 18" / 45.72cm

SIDE TO SIDE MATCH ——— STRAIGHT ACROSS

MADE TO ORDER IN USA
