LADIES

by Kaie Stout

Katie Stout, whose body of work includes furniture, sculpture and even a clothing collaboration, brings a dose of humor to the Fempower collection. In her work, Ladies, Stout uses pastel watercolors to give life to her playful and free-spirited naked ladies. This confident team of bendable babes celebrates being a woman with charm and light-heartedness.

This design has both an “A” and “B” roll. When ordering a single roll, you will receive an “A” roll. If you order two rolls you will receive an “A” and a “B” roll, and so on, to create the full pattern repeat. To install, alternate “A” and “B” rolls. Should you place an order and then realize you need additional paper, please make sure to call us to specify which roll you need.
