# LOS ANGELES TOILE

by Dan Funderburgh

Flavor Paper may be straight outta Brooklyn, but we've got nothing but love for the West Coast. Thanks to the classy yet sassy stylings of Dan Funderburgh, we're shining some love on the City of Angels with a traditional French country toile flipped to showcase the chill counterculture vibe that makes L.A. the place to be. From the freeway, rich and infamous, to noteworthy landmarks and need for namaste all day every day, Los Angeles Toile takes you on a slow and low ride through la-la land's lexicon with classic Flavor Paper twists.

Los Angeles Toile is a pre-pasted, water-activated EZ Papes wallpaper, meaning it's an easy up and easy down design that's perfect for homeowners, renters, and commitment-phobes. Each package comes with 24" wide x 10'4" long A and B drops, which creates a 48" wide repeat. As always, custom colorways and commercial materials are no prob. Cop some papes and spread the California love!
