NEW ORLEANS TOILE

by Alexa Pulitzer

Backstreets is a peek into New Orleans and its citizens incomparable lust for life. The toile is about the city of New Orleans today and the way we live. Our lifestyle is literally an art form as New Orleans exudes decadence, beauty, opulence, and decay in a one of a kind culture filled with character and soul. Artist and illustrator Alexa Pulitzer grew up in New Orleans where the music, architecture, culture and lifestyle encouraged her creative spirit. From majestic French Quarter architecture to the colorful streets of the Treme and from traditional Jazz Funerals to celebratory Second Lines, Preservation Hall and Mardi Gras Indians; New Orleans' vibrant culture is unmatched. This toile translates this exotic lifestyle by highlighting these slices unique to our city's culture.
