PADAUK

by Rex Ray

This Mod mural by Rex Ray will take your space to the next level artistically. The super sized colorful elements look vivid, yet somehow restrained against the striated background.

Rex Ray is a San Francisco based artist whose work is made entirely by hand. The collages combine a mid-century modern aesthetic with psychedelic color palette and shapes. Ray's retro-futuristic work is always identifiable, whether seen on museum or gallery walls, in hip restaurants and boutique hotels.

The image is a non-repeating mural and is scaled and cropped based on the provided wall dimensions.
