PARTY GIRL

by Karen Hsu of Omnivore

Bursting off the wall with a multitude of organic elements and geometric flourishes, Party Girl is no wallflower. You can opt for a lower contrast (like Silver on Chrome) or really go wild (see Fire Red). This is a true modern floral for those who want their walls to be firmly planted in the foreground.

SPECS

ROLL SIZE ————— 27" W x 180" L
PATTERN REPEAT ————— 14" / 35.56cm
SIDE TO SIDE MATCH ——— STRAIGHT ACROSS
