PETITE CAMELLIAS

by Evan Paul English

To know us is to know that our florals aren't so cut and dry. Case in point: Petite Camellias, which comes to life with a bold yet painterly demure Dorothy Draper aesthetic thanks to one of our handscreen aficionados turned tattoo artist, Evan Paul English. First drawn by hand and then digitized, this pattern provides the perfect backdrop for a room in need of feminine Flavor. It also happens to be the sister style to our Camellias mural – should you be looking for bigger blooms – that was first custom created for a champagne bar in Charleston. Whatever colorway you pick, the design is sure to add fresh, feel-good vibes to spaces season after season.
