SOHO BRICK WALL

by Boone Speed, Jon Sherman

One wall of a series that Flavor Paper's own founder and creative director Jon Sherman - and collaborator and photographer - Boone Speed worked on based upon the premise of bringing the outside inside called Rock In. SOHO Brick Wall will infuse a nice, warm, aged brick feel to your space. Add some texture without the texture!

The image is a non-repeating mural and is scaled and cropped based on the provided wall dimensions.
