SOFT HORIZONS

by Boone Speed

No, this Flavor isn't named after a ritzy rehab center, but trust us when we say that even a small dose of the design will rejuvenate spaces and the soul. Captured by award-winning photographer Boone Speed, Soft Horizons harnesses the tranquility of Troncones, Mexico – an alluring beach village valued for its chill atmosphere and killer surfing – with its tasty cotton candy colored sky at sunrise. Embrace the hush. Awe. And know that regardless of the treatment you'll be addicted to this stunner.
