Honoring Andy Warhol's desire to have The Last Supper at bigger than life scales, Flavor Paper has cooked up a digitally printed mural version as well as the smaller repeat hand screenprinted option. The pairing, as shown in the main image, is spectacular! This is a non-repeating latex printed mural that is scaled to your wall size, so go big and go home. The Color Block options work best for square walls while the Camo versions are ideal on a 1:2 wall.
