TIMBORANA

by Rex Ray

Rex Ray is a San Francisco based artist whose work is made entirely by hand. The collages combine a mid-century modern aesthetic with a 70's inspired color palette and psychedelic shapes. Ray's retro-futuristic work is always identifiable, whether seen on museum or gallery walls, in hip restaurants and boutique hotels.

The image is a non-repeating mural and is scaled and cropped based on the provided wall dimensions.

*Please note that the text the artist used within the design does contain the word "f*cking"*
