TOM OF FINLAND (TAME)

by Tom of Finland x Michael Reynolds x Hoffman Creative

If you're on the prowl for some seriously salacious wallpaper that celebrates eroticism, masculinity and sexual liberation, then Tom of Finland is for you! A collaboration two years in the works, this carnal creation comprises two designs—TAME and XXX—both conceived by Michael Reynolds, Hoffman Creative and the Tom of Finland Foundation. A bold and ballsy tribute to the dynamic graphite and pencil drawings of Touko Laaksonen (aka Tom of Finland), the famed renegade Finnish artist known for his stylized homoerotic art and its profound effect on late twentieth century gay culture and fetish lifestyle. From cops, cowboys and bikers, to sailors, lumberjacks and leather men — there's a little something (and then some) for everyone.

Tom of Finland TAME is a pre-pasted, water-activated EZ Papes wallpaper, meaning it's an easy up and easy down design that's perfect for homeowners, renters, and commitment-phobes. Each package comes with 24" wide x 10.33' long A and B drops, which allows for a 48" wide repeat. The colorway is White.
