WAYNETOPIA

by Wayne White

Waynetopia is a fantasy-scape digital mural that offers an imaginative escape. The expansive design brings to life a dreamland inspired by classic 19th century scenics that artist Wayne White and his son painted many years ago in their dining room. You can see the texture of the L.A. hills home's walls in the paper. Wayne captures the essence of the historic style in his unique style, and includes three of his infamous word paintings within the work: *goodlookinpeoplehavinfunwithoutyou*, *yourejustagreeingwithmesoillshutup* and *thenextbigthing*.

Waynetopia is a non-repeating mural and is scaled and cropped based on the provided wall dimensions.
